**SOURCE EVALUATIONS ARE DEFINITIVE. APPRAISAL OF CONTENT IS TENTATIVE.**

Three MIGs were alerted at the end of the runway. One MIG (Nr. NF 49) nearby was being readied by mechanics for a flight. Also observed were the usual number of MIGs (about 90) divided into three groups, each of regimental size; a Tokan-type radar which had been put in place, and a dummy aircraft (un faux avion). The concrete work was completed.
